DR. DOLLE'S
MESSAGE TO MEN
YOU CAN BE CURED BYIN
CINCINNATI

Why Take Treatment That Is Doing You
No Good, When a Few Days under the care
of Dr. Dolle Will Show You How Easy It
Is to Cure These Diseases When the Proper
Treatment is Administered.

Have you treated for months and years, and
been disappointed until you think that you can
no longer be cured? You are not, all this time have
been treated by inexperienced doctors who had
neither sufficient knowledge nor experience to
know how to cure you.

These are the diseases of which I have
cured so many, by giving me the repu-
tation for cure of which I am so proud.

Blood Diseases, Skin Diseases
I will give you treatment that will in a few
days cure all rash, spots and every skin
symptom. My treatment gets the poison out of
the system instead of driving it in like ordinary
treatments. I cure blood diseases and skin dis-
eases so they cannot come back.

Varicose, causing itching or pain in
groin or back, Nervousness, Weakness,
Loss of Vitality, Lack of Ambition—

My combined treatment cures all of these, and
what you will have to have to be cured
right. Only one visit is required. I do no cut-
ting and you suffer no pain nor trouble. All
signs disappear in a few days.

Nervous Troubles, Lost Vitality
My combined treatment for these troubles so
common among those who have become weak and
worn out, who have caused it by folly, dissipation
and excesses, is remarkably good. Do not believe
how quickly it benefits until they have taken it.

It overcomes weakness, nervousness, pain in
back, loss of energy, ambition and strength—it
is the treatment I have found so effective in
treating such diseases.

Kidney and Bladder Troubles
Scientifically cured by me. My methods im-
mediately benefit you, and the majority of cases
are cured by my treatment and specialists who
failed.

Piles, Fistulae—I can cure you so
quickly and easily
that you will be surprised. I will give you just
the result and cure you are looking for without
a surgical operation.

Acute Diseases—Itching, Burning
remedies seldom cure. My treatment stops every
symptom and cures in a few days. It is scientific
—that's the only sure way to be cured so it will
not come back.

You can take my Treatment without a
cent and pay me after I cure you. I know
that I can give you new life, new hope, and can
restore you back to health and happiness. I
know that every man will pay after I have elim-
inated every trace of disease from his system.
Microscopic and analytical urinalysis FREE.
I have written a book that ought to be in the
hands of every suffering man in this country. I
will send you a copy, free, if you will write me at
once the disease for which you desire treatment.

ARMED THUG TREATS
MAN HE HELD UP

Robber Makes Bartender Give
Half-Dollar at Time and
Then "Sets 'em Up."

Chicago.—Henry Johns, a bartender
at 634 South State street, is of the
charitable sort, so he readily complied
when a burly individual entered his
place of business the other night and
demanded a drink.

He wasn't much concerned even
when the thankless patrons asked for
and consumed another without pro-
ducing any money. But his astonish-
ment grew when the fellow asked him
to give him half a dollar.

"I can't give you a half," said
Johns.

"Oh, yes, you can," came the an-
swer in an ironic tone, as the man

Exhibited Two Large Revolvers.

pulled back his coat and by turning
slightly one side of his body and then
the other exhibited two large revolv-
ers bulging from his pockets. Johns
acquiesced. The man pocketed the half
and said:

"Guess you'd better give another."

Johns agreed. The burly solicitor
repeated his demand for coins of the
half-dollar denomination until Johns' hands
were weary with punching the
cash register and the till was empty
of coins. A stranger strolled in.

"Have a drink, stranger," said the
man.

"Don't care for any," was the de-
ply.

"Oh, yes, you do," and the man
went through the performance of ex-
hibiting his weapons.

"I'll take a beer," said the stranger.

The armed man became affable. He
invited the bartender to drink with
him, and shook hands agreeably all
around.

A few moments later Patrolman J.
H. Loeck walked in while the man
was shaking hands with Johns again,
seized and disarmed him.

AN UNFINISHED WAR STORY

Cannon Cracker Placed Under Chair
of Old Soldier Puts End to
Discourse.

Marshall, Mo.—A very dangerous
practical joke was perpetrated the other
day in front of Smith's barn in
West Marshall, but fortunately attend-
ed by no serious results.

John McClevern, an ex-Confederate
and a story teller of some note, oc-
cupied a chair in front of the barber

He Was Lifted Nearly to the Second
Story.

shop, and was engaged in relating his
Gettysburg experiences.

"Our infantry charged the enemy.
We were driven back inch by inch;
our gallant captain urged us on; we
made another rush and to the music of
the band, and the roll of the mus-
ketry and the booming of cannon—"

In the meantime one of the employes
with a left-over cannon cracker slip-
ped up behind Mr. McClevern and at
the critical moment applied the match
and carefully and noiselessly placed it
under the chair. "Cannon," was the
soldier's last word; he was lifted
nearly to the second story of the barn
and was stripped of hat, coat and vest
in his flight.

SHOT SHELLS
The Remington Club cut into a good one.

Each and Every One a Speed Shell

The speed that breaks your targets nearer the trap. That's why Remington-UMC Steel Lined Shells have won 13 out of the 15 Handicaps held in the last three years.

The speed that gets that mile-a-minute "duck" with a shorter lead—that's why it takes over 50,000 dealers to handle the demand for Remington-UMC Steel Lined Shells.

The Shooting fraternity are speed wise. They know loose smokeless powder won't drive shot. They know that the drive depends on the compression.

The powder charge in Remington-UMC shells is gripped in steel. This lining is designed to give the exact compression necessary to send the load to the mark quickest. It insures speed—the same speed in every shell.

The steel lining is moisture proof—no dampness can get through. Jar proof—no powder can get out. Waste proof—no energy is lost.
